EPIC Ventures

Entrepreneurs Proudly Investing in our Community

- Visit: www.surveymonkey.com/s/EPICnomination to nominate on-line today!

EPIC Ventures is a pilot initiative of the Greater Peterborough Area Economic Development Corporation's Business Advisory Centre. The program focuses on cultivating an environment of appreciation and recognizing the contributions of Peterborough's small business community.

Entrepreneurs work tirelessly to creatively drive our economic growth and increase the quality of life for residents in the Greater Peterborough Area. EPIC Ventures provides an opportunity for you to nominate an entrepreneur (self nominations are welcome) who is making a difference in our community through investment and community betterment

Nominations will be considered each month.

A committee of volunteer judges will assess the nominations on three main criteria:

Creative Business

Businesses that create unique opportunities through job creation, products, services or community development that differentiate the Peterborough region and make it unique. The business has stimulated growth or contributed to creating a unique identity in their neighbourhood, city/township or region.

Improved Quality of Life

A business has contributed to the enjoyment and satisfaction experienced in everyday life in the City and/or County of Peterborough as measured by access to wholesome food, clean air and water, enjoyment of unfettered open spaces and bodies of water, access to education and life-long learning, access to quality healthcare, access to cultural activities, availability of appropriate and affordable housing, security from crime, and protection of individual diversity.

This could include activities such as philanthropic/charitable, sustainability, community involvement/promotion, cultural activities or an innovation in a product or service delivery.

Economic Growth

A business has demonstrated growth which has resulted in increased job opportunities, new markets, partnerships or other opportunities for the region.
